CAPABILITY STATEMENT

KIWI Trucking Company was started in 2022 by Gail Farnsworth and Mike Lewis. We are a customer-oriented, woman-owned and family-run business that believes hard work, innovation and good relationships are the foundation of a successful business.

Our experience in both trucking and utility construction gives us greater awareness of our customers' work flow and needs. Our goal is to simplify the process of aggregate supply and spoils removal, freeing customers to focus on their bigger picture.

KEY PERSONNEL

GAIL FARNSWORTH is KIWI's Business Operations Manager, and owner. Gail has over 25 years of business experience, including six in utility construction.

MIKE LEWIS manages KIWI's Field Operations. Mike has more than 30 years of experience with heavy equipment & trucking fleet management, in addition to all aspects of utility construction.

SUE BENOIT is KIWI's Office Manager, and a business administrative professional with over 23 years of experience in industrial hauling.
